SUPPLEMENT TO REPORT NO.

- Rumania had a derosit of twenty tons of gold at the Schweizerische Bankgesellschaft, Zurich, earmarked in favor of Argentina in payment for grain deliveries by Argentina in 1948.
- 2. At the beginning of December 1950, instructions were received by the Schweizerische Bankgesellschaft to transfer seventeen tons of this gold to the Argentine, and the remaining three tons to Prague.
- The Argentine having confirmed that their claim was for a total of seventeen tons of gold only, that amount was forwarded to Argentina by air and the remaining three tons by air to Prague
- The seven and one-half tons of gold earmarked for Swiss claims against Rumania are still eposited in Switzerland and cannot be transferred elsewhere.
